Professional Objective

Motivated B.Tech IT undergraduate at BVRIT Hyderabad with strong **problem-solving, programming, and analytical skills**. Interested in projects, hackathons, and technical training across **AI, ML, Cybersecurity, and Cloud Networks**. Eager to apply my skills, grow professionally, and contribute meaningfully as a committed member of your team.

Education

Bachelor of Technology (B.Tech) in Information Technology, BVRIT Hyderabad College of Engineering for Women *(2023 – Present)*
CGPA: 8.05

- Core modules: Data Structures, DBMS, Operating Systems, Computer Networks, OOP.
- Active involvement in projects, coding contests, and hackathons.

Pre-University Course (MPC), Sri Chaitanya Kalashala, Secunderabad *(2021 –2023)*
Percentage: 85%

- Strong academic foundation in Mathematics, Physics, and Computer Science.

Secondary Education (Class X), Sri Chaitanya School, Hyderabad (CBSE) *(2021)*
Percentage: 94.57%

- Consistently achieved distinction across all subjects.

Technical Skills

- **Programming Languages:** C, Python, Java
- **Web Development:** HTML, CSS, JavaScript
- **Databases:** SQL (Schema design, query optimisation, relational database management)
- **Emerging Domains:** Cybersecurity (Ongoing), AI/ML, Cloud Computing
- **Soft Skills:** Communication, Teamwork, Adaptability, Time Management, Leadership

Academic & Technical Projects

Checkerboard Pattern Generator (Python) *2023*

- Designed a GUI-based application to generate customizable checkerboard patterns.
- Demonstrated strong skills in Python fundamentals and logical reasoning.

Airway Management System (Java) *2024*

- Built a prototype flight booking platform using Java Swing and JDBC.
- Implemented user/admin modules with bookings, cancellations, and listings.

Gym Data Scraper (MLOps) *2025*

- Engineered a tool to scrape structured datasets from gym-related sources.
- Integrated with ML preprocessing pipeline for data analysis.

Mini Projects (Ongoing) *2025*
Exploring advanced concepts in AI/ML, Cybersecurity, Cloud Computing, and Networking.

Certifications

- SmartInterviews – Data Structures & Algorithms (Phase 2, Ongoing): Advanced training in problem-solving, algorithm design, and coding interview preparation.

Achievements

- GenAI Hackathon (2023): Developed a Resume PDF Generator using generative AI. Strengthened collaboration, problem-solving, and innovation.

Languages

- English: Fluent (5/5)
- Hindi: Fluent (5/5)
- Telugu: Intermediate (2/5)

Interests & Extracurriculars

- Sports: Badminton, Basketball, Football
- Travelling: Exploring cultures and places
- Continuous Learning: Workshops, coding challenges, technical communities
