WORKING EXPERIENCE

studying in BVRIT HYDERABAD college of engineering for women from 9 months

SKILLS

- **programing languages: c, python**
- **web technologies: html, css (basics)**
- Technical skills
- Drawing pictures

PROJECT

Caesar Cipher Cryptography
During my SEM1 , I undertook a cryptography project utilizing the C. Through hands-on coding .I gained valuable insights into the principles of cryptography and honed my skills in secure coding practices. This experience enhanced my understanding of cybersecurity concepts and prepared me for tackling real-world encryption challenges.
